

Kingdom Season Litany

Into places of conflict

may your kingdom come.

Into the hearts of terrorists

may your kingdom come.

Into the hearts of soldiers

may your kingdom come.

Into the hearts of politicians

may your kingdom come.

Into the hearts of those bereaved by war

may your kingdom come.

Into the hearts of those who are hungry

may your kingdom come.

into the hearts of those made homeless

may your kingdom come.

Into the hearts of those who despair

may your kingdom come.

Into the hearts of those who are ill

may your kingdom come.

into the hearts of those who have been abused

may your kingdom come.

Into the hearts of those who are addicted

may your kingdom come.

Into the hearts of those in debt

may your kingdom come.

Into the hearts of those who are lonely

may your kingdom come.

Into the hearts of those who are fearful

may your kingdom come.

Into the hearts of those who are depressed

may your kingdom come.

Into the hearts of those we name before you
in the silence ...

may your kingdom come.

Into the heart of our world

may your kingdom come.

All Saints Prayers

**There are those among us
whom we come to know,
touched by highest heaven
present here below.**

Listening to old people, playing with children, sitting with
unwanted women, dining with isolated men.

**There are those among us
whom we come to know,
touched by highest heaven
present here below.**

Welcoming runaway sons, healing near-to-death
daughters, partying with outcasts, upsetting the insiders.

**There are those among us
whom we come to know,
touched by highest heaven
present here below.**

Loving the unlovable, touching the untouchable, forgiving
the unforgivable, taking up what no one else wants to
carry.

**There are those among us
whom we come to know,
touched by highest heaven
present here below.**

Summoned to holiness,
roused to justice,
we are called to live in love.

Granted forgiveness,
Blessed with mercy,
we are called to live in hope.

Beckoned by saints,
Encouraged by angels,
we are called to live in joy.
